ABOUT US

AMS is a trusted, privately owned, family-run supplier of quality services in Dorset and the surrounding areas.

We prioritise meeting the needs of businesses, contractors, and DIY enthusiasts who require services including aggregates, cartaway ready-mixed concrete, and waste management.

With our commitment to friendly, knowledgeable, and professional service, we strive to deliver excellence with every project.

Count on AMS for all your construction materials and waste management needs.

YOUR ‘ONE-STOP’ SUPPLIER

We’re proud to be a trusted ‘one-stop’ supply partner for many leading businesses, contractors, and expert tradespeople.

With our large fleet of vehicles, we can efficiently collect waste, supply aggregates, and deliver ready-mixed concrete directly to sites and homes across Dorset and the surrounding areas. Additionally, we have state-of-the-art waste disposal facilities, ensuring responsible and environmentally-friendly waste management solutions.

Our experts are always ready to provide personalised assistance and advice, ensuring that your project runs smoothly from start to finish.

EQUIPPED FOR PROJECTS OF ALL SIZES

At AMS, our large and diverse fleet of vehicles ensures that we can handle projects of all sizes, meeting the specific needs of businesses, contractors, and homeowners.

Our well-maintained vehicles, operated by experienced professionals, guarantee prompt and reliable services. Trust AMS to deliver for your construction and waste management needs.

Hours: Mon – Fri 7.30am to 5pm
Address: Evercreech, Nr. Shepton Mallet, BA4 6LX.

CARTAWAY SERVICES

Avon Material Supplies offers comprehensive cartaway services in Dorset and the surrounding areas.

With a modern fleet of economical lorries and highly experienced drivers, we provide cost-effective site clearance solutions for contractors, tradesmen, and individuals

EFFICIENT COLLECTION AND RECYCLING

Our flexible fleet can handle small and large loads, even from sites with limited or difficult access.

As a fully licensed waste carrier, with a dedicated processing facility, almost all inert waste collected is recycled into reusable construction aggregates.

TAILORED SERVICES FOR EVERY PROJECT

Whether you require ongoing waste management or a by-request service, our reliable cart-away solutions are available to all.

AMS are able to cartaway contaminated and hazardous spills from sites and dispose of them in a compliant manner.

Contact our knowledgeable team for further advice and to discover why AMS is trusted by leading contractors from across the UK.

CONCRETE SERVICES

AMS Concrete is a trusted provider of BSI-accredited ready-mixed concrete in Dorset and the surrounding areas. Individuals and contractors can choose between convenient delivery direct-to-site or the option to collect their concrete from our state-of-the-art batching plants located in Wimborne and Weymouth.

COLLECTION SITES

At our convenient concrete batching plants, customers can pick up their desired concrete mix from our state-of-the-art facilities. Pre-booking is available for a faster turnaround.

CANFORD INERT FACILITY

Tel: 01202 579579
